Obstacles to overcome include: Spider Wall, Ring Sliders, Warped Wall, Ninja Reaction Zone, Jump Tower, Sea of Swings, Tilt Beams, Rotating Logs, Scramble Net, Spider Wall, Quad Steps, Sea Doors, Floating Bridge, Ninja Climbing Wall, Giant Airbag and Foam Pits. They've visited a few times now. Last time was for a birthday party. All the staff has been extremely helpful, the facilities are fab, it is nice and clean, which for me is important. No sticky meals, a clean café. Decent price too considering other places nearby are a little dearer. Each jump session starts every hour, so you know what time to return to move on to the next session. Great trampolines, but also other activities available, would be the augmented wall, big jump, climbing and other stuff. The view of the café is great, because you can easily see the whole trampoline and can keep an eye on the children. He'll be def visiting again soon. Red Rose Retail Park, Salford, Manchester M5 3GR, UKPrice: Moderate (\$\$) ADD A NEW TRIP Jump Ninja is an indoor trampoline park in Manchester, offering a selection of 60 linked trampolines. The center has two treads, a slam dunk area, and ninja and cardio zones, along with two children's party rooms. The venue has a café and also offers party packages for both children and adults. Paid for Groupon's offer booked through the online booking tool. Arrived at the venue to find that it had been closed for renovation and were unable to contact Groupon for a refund. Don't waste your time, the place is still closed three months later!!! I didn't even get to go to Jump. Jump was closed, so had to make alternative arrangements. He bought the business, confirmed the reservation the day before participation (August 7th). Attended on August 7 only to be returned by builders saying ninja jump have entered the administration! Three very disappointed kids, and to make things worse I'm still chasing the groupon for my refund! Wouldn't recommend!!! This place closed for renovations in the school holidays ☹️ and I could not use my Groupon voucher in the allotted time. Tried to get a refund from Groupon, but I didn't get any response, so I won't be using Groupon ever again, bad experience ☹️ dreadful. He made a reservation, but it was completely closed for maintenance when I arrived. No e-mail or text to tell us. Wasted travel. Angry kids. It was closed due to unforeseen.🙄 I bought tickets for my grandchildren and when their parents booked the session online, everything was ok. When they got to the venue, he had it closed. Three very disappointed children. It needs more air conditioning in the café area. Good laughter, even for a group of adults, could not stop laughing at me and at the expense of others very well. The kids loved it. He'll be back. rosiethvh44 wrote a review Aug 2019Urmston, UK26 contributions8 useful votesIdeal for birthday parties kiddies enjoyed various activities, and then entered the party hall. It's not allowed much time for party itself, but the food went well. I had to book at the time of purchase and their system allowed me to book for August. No communication at the venue saying they were closed! Fortunately, I checked their website before leaving for the venue to find they are closed. I have a feeling that I can't be opening again because they are the site said closed for renovation until new orders... it doesn't bode well!... We'll definitely come again. Thank! The best trampoline park in Manchester! The staff is friendly and enjoy the work. Food is reasonably priced and there's a lot to do there. A fantastic place, I'll be back again. Simply the best trampoline park. The staff were very attentive and beautiful, and knew exactly what they were doing. The park itself is simply amazing, they certainly have everything to entertain all ages. The ninja obstacle course was probably the highlight of the day, certainly nothing else like this one in Manchester.
